## **OATH**

I have read and understand fully the CAV/VAC constitution - I further pledge to follow the CAV/VAC constitution and organization's mission of "ride and have fun while helping others", volunteering to support as much as possible the membership and mission. I am aware that the CAV/VAC logo and cresting are the sole property of the organization, and that the only vest sanctioned by CAV/VAC is a black leather vest with the single CAV crest (our identity), on the back with no other crest, patch, or other symbol above or below the crest.

I (print name): \_\_\_\_\_ at all times pledge to do my absolute best to follow the positive 'CAV/VAC spirit' - understanding that the organization and its membership will tolerate no negative energy – which could lead to membership review and possible dismissal from CAV/VAC.

# CAV "STRENGTH AND HONOR" CONTRACT

**SECTION B** – New Member / Renewal  
CONFIDENTIAL

I (Print name) \_\_\_\_\_ of (Unit) \_\_\_\_\_ of the Canadian Army Veterans Motorcycle Organization (CAV), hereby affirm my commitment to uphold the intent of the CAV Constitution. In doing so I make a promise to adhere to the CAV mission and principals of "Strength and Honor" and "To ride and have fun, while helping others". I also make a commitment to assist my unit and the CAV by assisting with those events sanctioned by the CAV whenever possible. If I am unable to attend actual events I will make every effort to assist in other ways such as accepting unit, formation or national appointments, phone networking, safety vehicle, advertising, donation organizing, or any other pre or post ride day taskings. I understand that failure to adhere to the CAV mission and principals could result in dismissal from the CAV and the return of the CAV crest to the unit. I understand that the only vest that is sanctioned by the CAV is the black leather vest and that the only item authorized for wear on the rear of the vest is the CAV crest, no other items are to be worn above or below the crest. Failure to adhere to these rules could also result in dismissal from the CAV. By signing this document I confirm that I have read and fully understand the CAV Constitution and agree to abide by it's content.
