The C.A.V.

CANADIAN
ARMY

VETERAN

Gathering as local units which are named after Canadian Battle Honours, this brotherhood, the C.A.V., ride as Canadian Veteran Motorcyclists, and Veteran Supporters gaining strength and fellowship. Our mission is to provide our members with a unit to continue service to each other and our communities and country.

We are not a Gang or a Club. We are an organization of Canadian Armed Forces Veterans and Veteran Supporters, mounted on motorcycles.

There are other military veterans organizations, and we support them wholeheartedly. However, we stand alone—united under our motto “Strength and Honour” - and our connection to all veteran motorcyclists, past and present.

United under our motto "Strength and Honour"

Who we are

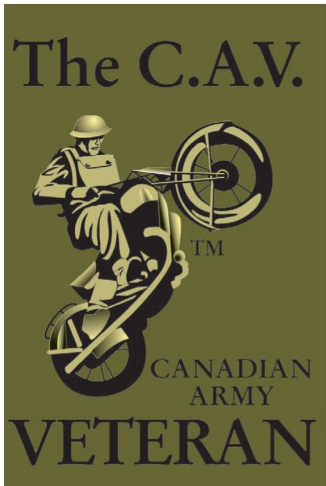

The C.A.V. was formed by Canadian Veterans whose common bond was service to one's country and the fact they were avid motorcyclists. To date we have members who have served our country in every theatre of military operations, either in peace or at war; as members of NATO, the United Nations or members of Canada's present Army, Navy or Airforce.

Under the name of Canadian Army Veterans—the CAV; we are a brotherhood of serving and veteran motorcycle enthusiasts who have volunteered to serve our Country; whether it be in Regiments, on Ships or with Air Squadrons or Bases across Canada and Overseas. Alongside our Veteran Supporters, we continue to volunteer our time for our Country by actively supporting each other, our brothers in arms and our communities through charity rides and events.

CAV Veterans Supporters

The C.A.V. is an opportunity to unite proud Canadians that love to ride, while conquering all obstacles with lessons learned from life, both in and out of uniform. C.A.V. Veteran Supporters are a powerful and welcome addition to our Units and mission.

Veteran Supporters are our family; brothers, sisters, husbands, wives, partners, friends and comrades that share a love of country and community.
