

CAV Membership Interview Questionnaire V3.2

Applicant Name: _____

Good Day, my name is _____ and I am the _____ of
_____ Unit located in _____.

Introduce any other members of your Unit that are present for the interview.

Tell the interviewee a little about yourself(s), your service, how long you have been in the CAV, etc.

I don't know how much you know about the CAV, so I will give you a brief outline and then ask you a few questions. You can ask me any questions that you may have. This entire process should take about 30 minutes.

Any questions before we start?

The CAV is a Veteran based Motorcycle Organization whose Motto is:

“Ride, have fun, while helping others” & “Strength & Honour”

This pretty much sums up what the CAV is all about. The CAV is extensively involved in charity work especially benefiting our Veterans. We are not a 1% Club or classified as an “MC”, but more of a riding Club. My Unit has weekly rides and we have an Annual Rally somewhere in our CAV Formation AOR annually. We do a lot of last minute local rides and you can generally find a few people for a quick ride for coffee or just some conversation. Comradery with people of a common background, ie riding and the military is the key part of being in The CAV. In keeping with our military background, we call our locations, Units instead of Clubs or Chapters. We have Units located right across Canada in most larger centres. Each Unit is named after a Canadian Military Battle Honour.

We have 2 different membership designations –

Veterans for those that have or are serving in the CAF **or** former or serving members of the RCMP **or** serving or former members of our Allied Military Forces. The reason that we include the RCMP is that they are considered Veterans by Veteran Affairs Canada. Do you have any issues with joining the CAV as it contains RCMP members?

and

Supporters for our Families and for those that support our CAF and will bring Strength, Honour and Dedication to The CAV.

Both the Veteran Member and the Supporter Member have full voting rights and can occupy any position within a Unit. The only visible difference between a Veteran and a Supporter is at the bottom of their back Crest, under the Dispatch Rider, it will state either Veteran or Supporter as appropriate. No other Tags or Crests are permitted to be worn on the back of the black vest except The CAV crest.

The CAV is organized with a National HQ and 3 Formations.

- National HQ
- 1 CAV is Ontario, Quebec & Nunavut
- 2 CAV is Atlantic Canada, and
- 3 CAV Western Canada.

We have a written Constitution and a Ride Manual, both are available for you to read if you haven't already done so and are located on The CAV website www.thecav.ca. I highly encourage you to go to this site.

Everything looks good, you are the type of person that I believe will be a good fit for the CAV and our Unit. The CAV does not have a probation period as such, but we do have a Feeling Out Period in which you are invited to attend our Unit functions and ride with us. This is the time for both of us to get to know each other and what you can expect from being a CAV Member. The length of time for the “feeling out” process depends on your participation.

After the Feeling Out Period; If everything works out for you and the CAV, we will give you an application form for you to fill out and we will get the enrolment process started. When you fill out your Membership Application, we will need the following:

1. Our initial Membership Application Fee is \$95, and our Annual Renewal Fee is \$60.
2. * VETERAN - **Proof of Service**. There are many different documents that can be used. The Formation Membership Coordinator can assist with the requirements.
